TRUCK

RALLY

GMC TRUCK

IT'S NOT JUST A TRUCK ANYMORE.

Over the years, Rally has proven itself to be a comfortable and practical people mover. A full-size van that's big on style, convenience and performance. And for '87, we've added improvements to make it even more so: There is one new solid paint color ...new standard seat trim material ...new front safety belts designed for more comfort...and new available equipment to increase your pleasure.

Plus, major advances under the hood for gasoline engine models, including computer-controlled Electronic Fuel Injection for impressive performance; new lighter-weight, higher-output Delcotron generators; new-design, higher-capacity Delco Freedom batteries; and even a new single-belt engine accessory drive that replaces multiple V-belts. (Turn to page 7 for details.)

VERSATILITY FOR WORK OR FUN

Whether you want to move a lot of people or a lot of cargo, Rally is a great way to do it. The spacious interior provides 5-person seating standard in all model series. If that's not enough, there are available seating arrangements for eight or 12 persons, depending on the model. Or, remove the rear seats and you've got truck-size cargo space for family fun or business. Quick-release mechanisms make it easy to remove rear seats, and new available cargo tie-downs may be specified with standard 5-person seating on Series 25-3500 models.

WIDE CHOICE OF MODELS

Rally comes in the G-1500 Series (except in California) on a 110" or 125" wheelbase, or in the G-2500/3500 Series on a 125" wheelbase. The engine selection includes gasoline or diesel power. Power steering and power brakes are standard for easy driving. Choose the trim level you prefer from standard Rally, or uplevel Rally Custom or Rally STX models.

COMMITMENT PLUS

Commitment Plus is one of the most complete joint sales and service customer satisfaction programs available on light-duty trucks today.

It offers the following benefits:

- ☐ A thorough new-vehicle inspection
- ☐ One full tank of fuel
- ☐ Complimentary 3000-mile maintenance service, including oil change and oil filter at no extra charge

GMC Truck and GMC Dealerships are truly committed to making GMC Light Duty Trucks easy to live with. Our customers' total satisfaction is indeed our goal!

Applies to retail sales only, but not to any Series 3500 model described in this catalog.

NEW GM-CAMS MAINTENANCE SYSTEM

GM's total computerized diagnostic and repair resources are ready to help with your individual truck gasoline engine problems, should they occur. Ask your participating GMC Dealer for details.

Rally STX has special appearance items inside and out. Shown with available equipment. Tires are supplied by various manufacturers.

Tra-Tech upfitted Rally van*

Star-Craft upfitted Rally van*

5-person seating standard in all series*

Available seating for eight in G-2500/3500*

Available seating for 12 in 8600-lb-GVWR G-3500 models*

* 12-person seating standard in 7400-lb-GVWR G-3500 models

*Customized vans are supplied to GMC Truck Dealers by outside upfitters, independently of GMC Truck, which is not responsible for the safety or design features, materials or workmanship of any alteration by any such upfitter.

GMC RALLY...BIG ON STYLE AND LUXURY

TRUCK

STX interior with Custom Cloth upholstery

THREE DISTINCTIVE RALLYS

You can select your kind of style and luxury from these choices:

Rally STX. For top-of-the-line appearance and convenience, Rally STX is the way to go. The luxurious interior includes color-keyed carpeting on the floor and lower trim areas, plus your choice of Custom Vinyl or Custom Cloth seat upholstery. Cloth-covered front bucket seats with reclining backs and folding armrests are available.

Outside, there's a special appearance treatment featuring a deluxe front

end with dual rectangular headlamps, chromed front and rear bumpers, and bright side and rear moldings. Rally STX is available only on a 125" wheelbase.

Rally Custom. This elegant trim package offers uplevel styling and comfort for 125" wheelbase models. Exterior features include bright front end trim and chromed front and rear bumpers.

Seat trim is Custom Vinyl. Other custom features are color-keyed rubber floor covering, embossed

interior trim panels, full-length headliner, and much more.

Rally. For '87, the interior of the standard Rally features new vinyl seat upholstery. This comfortable interior also comes with front and rear dome lamps, a handy parcel tray and a latched stowage compartment.

A new 4-spoke Sport steering wheel (available interim 1987) can be ordered with all Rally trim levels, in addition to a Custom wheel.

Standard sliding side door

60/40 swing-out side doors are available at no extra cost.

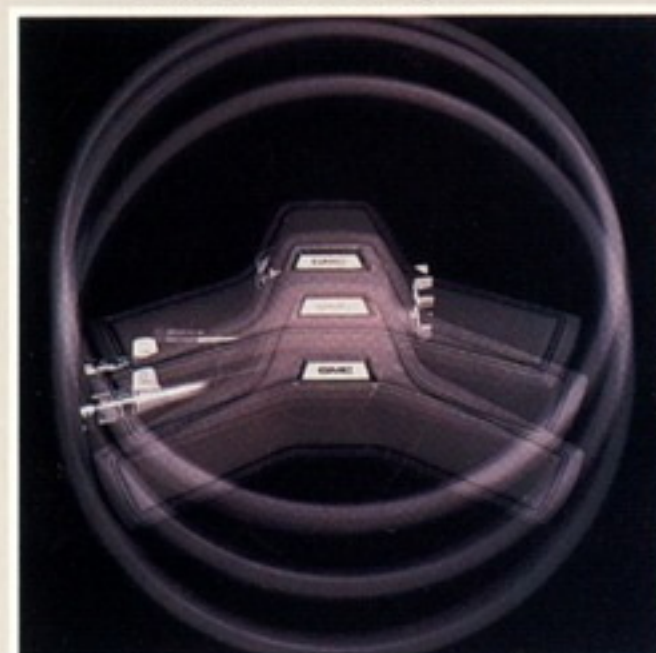

Rally STX instrument panel

Travel bed seat is available for most models.

GMC AVAILABLE ACCESSORIES TRUCK

OPTIONS TO PERSONALIZE YOUR RALLY

There are many items you can add to your Rally to suit your personal tastes and needs. Choose from a wide range of available options, including dress-up paint and trim packages, Rally wheels, air conditioning, radios and much more.

Performance and heavy-duty equipment can be ordered to prepare Rally for trailer-towing, recreational travel, or as a commercial or institutional people carrier. See charts on page 7 and back cover for additional available equipment.

GM PROTECTION PLAN:

An option that offers service protection beyond that provided by GM's New Truck and Chassis Limited Warranty. Available only in the USA and Canada during the 1987 model year. See your dealer for details.

TRAILERING WITH RALLY

Properly equipped, a GMC Rally can move up to 13,500 lb Gross Combination Weight...that includes everything going down the road (truck, trailer, passengers, cargo, and equipment on truck and trailer). The adjacent chart shows the maximum allowable Gross Combination Weight Rating (GCWR) based on all standard and available engines and rear axle ratios for Rally models with automatic transmissions.

Rally can be ordered with available Trailering Special Equipment packages to help you properly equip it for trailering. See your GMC Truck Dealer for package content, and ask him for the '87 GMC Truck "Trailering Guide" which gives complete details on trailering requirements and recommendations.

Properly equipped, a G-3500 Rally can move up to 13,500 lb, including itself, passengers, cargo, equipment and trailer.

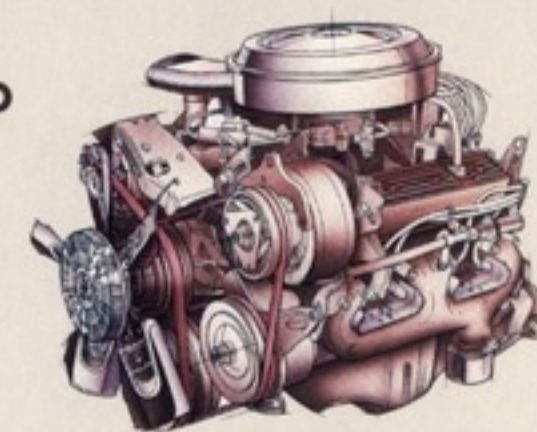

GROSS COMBINATION WEIGHT RATING BY ENGINE AND AXLE RATIO FOR AUTOMATIC TRANSMISSIONS

ENGINE	GROSS COMBINATION WEIGHT RATING (lb)					
	9000	9500	10,000	10,500	11,000	13,500
4.3L V6 GAS (LB4)		3.42	3.73			
5.0L V8 GAS (L03)		3.08		3.42		3.73
5.7L V8 GAS (L05)	2.73		3.08	3.23		3.73
6.2L V8 DIESEL (LH6/LL4)			3.42		3.73	4.10

GMC ENGINES & TECHNICAL DATA TRUCK

NEW FOR '87... COMPUTER-CONTROLLED ELECTRONIC FUEL INJECTION

Standard on all gasoline engines for Rally (the 4.3 Liter V6, the 5.0 Liter V8, and the 5.7 Liter V8). This system replaces the conventional carburetor and fuel pump and provides a precise fuel-to-air ratio for improved combustion plus impressive reliability and performance; a new exterior nameplate identifies these engines. Other gasoline engine improvements: ☐ New single-belt accessory drive; it replaces multiple V-belts and is designed for long life and automatic tensioning ☐ Standard generator capacity increased from 37 to 85 amps with a new compact, high-efficiency Delcotron ☐ New Delco Freedom batteries improve gasoline engine starting performance.

5.7 Liter V8
Gasoline Engine

Truck proven 6.2 Liter V8 Diesel engines are also an excellent choice in 25-3500 Series applications for highway cruising, trailering and especially for stop-and-go city van pooling or shuttle work.

ENGINE TECHNICAL DATA

ENGINE TYPE	GASOLINE			DIESEL	
	4.3L (262 CID) V6	5.0L (305 CID) V8	5.7L (350 CID) V8	6.2L (379 CID) V8	6.2L (379 CID) V8

A WORD ABOUT ENGINES: GMC Trucks are equipped with engines produced at facilities operated by GM car and truck groups, subsidiaries or affiliated companies worldwide.

IMPORTANT! A WORD ABOUT THIS CATALOG: We have tried to make this catalog as comprehensive and factual as possible and we hope you find it helpful. However, since the time of printing, some of the information you'll find here may have been updated. Also, some of the equipment shown or described throughout this catalog is available as factory-installed options, as dealer accessories, and as specialized equipment from various independent suppliers at extra cost. You dealer has details and, before ordering, you should ask him to bring you up to date.

The right is reserved to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, and models. Check with your GMC Dealer for complete information.

A WORD ABOUT ASSEMBLY, COMPONENTS, AND OPTIONAL EQUIPMENT IN THESE GMC PRODUCTS: The GMC Trucks described in this catalog are assembled at facilities operated by General Motors. These vehicles incorporate thousands of different components produced by car and truck groups and various component divisions of GM and by various suppliers worldwide to General Motors. From time to time during the manufacturing process, it may be necessary, in order to meet public demand for particular vehicles or equipment, or to meet federally mandated emissions, safety, and fuel economy requirements, or for other reasons, to produce GMC

products with different components or differently sourced components than initially scheduled. All such components have been approved for use in GMC products and will provide the quality performance associated with the GMC name.

With respect to extra-cost optional equipment, make certain you specify the type of equipment you desire when ordering it from your dealer. Some options may be unavailable when your truck is built. Your dealer receives advice regarding the current availability of options. You may ask the dealer for this information. GM also requests the dealer to advise you if an option you ordered is unavailable. We suggest that you verify that your truck includes the optional equipment you ordered, or, if there are changes, that they are acceptable to you.

These vehicles are also available under the Chevrolet nameplate as Series G10/20/30 Sportvans.

A WORD ABOUT UPDATED SERVICE INFORMATION: GMC Truck and Coach Operation regularly sends its dealers useful service bulletins about GMC Truck products. GMC Truck and Coach Operation monitors product performance in the field. We then prepare bulletins for servicing our products better. Now you can get these bulletins, too. Ask your dealer. To get ordering information, call toll free 1-800-551-4123.
